Addendum No. 2

Dear Contractor:

This addendum is being issued to the contract for construction on State highway in MONO COUNTY NEAR WALKER FROM 0.5 km NORTH OF HACKNEY DRIVE TO THE NEVADA STATE LINE (PORTIONS).

Submit bids for this work with the understanding and full consideration of this addendum. The revisions declared in this addendum are an essential part of the contract.

Bids for this work will be opened on November 28, 2000, instead of the original date of November 21, 2000.

This addendum is being issued to set a new bid opening date as shown herein and revise the Project Plans, and the Notice to Contractors and Special Provisions.

Project Plan Sheet No. 37 is revised. In the Construction Detail, "MBGR DETAILS," in the bottom center of the Plan Sheet, the depth of Imported Material (Shoulder Backing) is labeled "150 mm." Placement and width of the Weed Control Mat is adjusted so there is no vertical element and the mat does not turn up on the sides.

In the Special Provisions, Section 10-1.14, "EXISTING HIGHWAY FACILITIES," subsection, "COLD PLANE ASPHALT CONCRETE PAVEMENT," the second paragraph is revised to read:

"Public traffic will not be allowed on a cold planed surface, unless the public traffic is controlled by a pilot car."

In the Special Provisions, Section 10-1.16, "SHOULDER BACKING," the following paragraph is added after the second paragraph:

"Imported material for shoulder backing shall be free from any asphaltic material. Materials processed from cold planed asphalt concrete shall not be used as "Imported Material (Shoulder Backing)."

In the Special Provisions, Section 10-1.17, "WEED CONTROL MAT," subsection, "INSTALLATION" subsection, "GUARD RAILING AREAS," the second paragraph is deleted.
